Monthly Update

The Monthly Update is aimed to share the latest progress of Network protocols and highlight key information on Network activities to all site members.

The Monthly Update is distributed each month to all site in electronic and printed versions, except on the month in which protocols update is integrated into the SEAICRN Newsletter (month of January, April, August, December of 2009 and June 2010) .

The Monthly Update is also available in local languages (Thai, Vietnamese, and Bahasa Indonesia).
